FOR IMMEDIATE RELEASE

VendorInsight® Signs Alaska USA Federal Credit Union for Vendor Management Software & Due Diligence Services

Cincinnati, OH, January 4, 2016---VendorInsight®, an award-winning software solution that helps financial institutions manage third-party vendors and assess risks, is pleased to announce the signing of their newest customer Alaska USA Federal Credit Union.

Alaska USA Federal Credit Union is a not-for-profit, member-owned financial services cooperative providing service, value, and convenience to members since 1948. Alaska USA provides members with great rates on loans and deposits as well as low fees for services.

“We’re excited to start off the new year by welcoming Alaska USA to the growing VendorInsight® user group,” said Grant Karnes, CEO of VendorInsight®. “We believe this new partnership is a direct reflection of our team’s tireless effort to ensure we’re providing the best vendor management solution in the market.”

Find out how VendorInsight® can help your institution stay current, connected and compliant with ever-changing regulatory requirements by scheduling a free, personalized demo at www.vendorinsight.com
