FOR IMMEDIATE RELEASE

VendorInsight® Signs Fremont Bank for Vendor Management Software

Cincinnati, OH, November 14, 2016---VendorInsight®, an award-winning software solution that helps financial institutions manage third-party vendors and assess risks, is pleased to announce the signing of their newest customer Fremont Bank.

Fremont Bank is a retail and commercial bank and California mortgage lender. Founded in 1964, Fremont Bank is one of the oldest independent family-owned and managed banks in the state. It has 18 branches across the counties of Alameda, Contra Costa, Santa Clara, San Francisco and Monterey with retail loan offices in Sacramento and Los Angeles counties.

“We have spent a lot of time working with the team at Fremont Bank to develop a vendor risk management process that supports their organization and goals,” said Grant Karnes, CEO of VendorInsight®. “We’re proud of the collaboration and we’re proud to welcome them to the VendorInsight® family!”

Find out how VendorInsight® can help your institution stay current, connected and compliant with ever-changing regulatory requirements by scheduling a free, personalized demo at www.vendorinsight.com
